

ORDINAL NUMBERS SCRIPT

[Mr Teacher Paulo] - What is the second class you have on your first period today?

[Mr Teacher Jr] - I actually have PE class... Oh! I have to tell you what happened this morning.

[Mr Teacher Paulo] - What happened?

[Mr Teacher Jr] - If the cafeteria episode wasn't enough... Jack and Mike caused trouble in the PE class this morning.

[Mr Teacher Paulo] - I can't believe it. Again? What happened?

[Mr Teacher Jr] - There are 20 kids in my class, so our coach asked us to split up into 4 teams of 5 to play dodgeball. Then, we had to decide who would be first, second, third and fourth. The first team would play the second and the third team would play the fourth and the match winners would play each other, but Jack was in the first team playing the second and Mike was in the third team playing the fourth. But I guess they were still holding a grudge.

[Mr Teacher Paulo] - Why?

[Mr Teacher Jr] - Because Mike tried to hit Jack with the ball and when Jack retaliated, he hit the coach's head.

[Mr Teacher Paulo] - No..

[Mr Teacher Jr] - Yes!

[Mr Teacher Paulo] -No way!

[Mr Teacher Jr] - PE was over! And they ended up in the seventh door, to the left of the third floor corridor. The principal's office!

[Mr Teacher Paulo] -Oh my...
