

## Hills Like White Elephants | Part 06

### Texto para mineração e treinamento:

"Then I'll do it. Because I don't care about me." "What do you mean?" "I don't care about me." "Well, I care about you." "Oh, yes. But I don't care about me. And I'll do it and then everything will be fine." "I don't want you to do it if you feel that way." The girl **stood up** and walked to the end of the station. Across, on the other side, were fields of grain and trees along the banks of the Ebro. Far away, beyond the river, were mountains. The shadow of a cloud moved across the field of grain and she saw the river through the trees. "And we could have all this," she said. "And we could have everything and every day we make it more impossible." "What did you say?" "I said we could have everything." "We can have everything." "No, we can't." "We can have the whole world." "No, we can't." "We can go everywhere." "No, we can't. It isn't ours any more." "It's ours." "No, it isn't. And once they **take it away**, you never get it back." "But they haven't **taken it away**." "We'll wait and see."
