## ♦ UNIT 5B JOB INTERVIEW 2

- ♦ Alice arrives at the job interview and is **welcomed** by Robert, who starts to ask her a **few** questions. “Alice **can** you work on the **weekends**?” “Sure, not a problem” she says. “**Would** you **mind** to help the school to **promote** the classes by **spreading** some **brochures** around?” “No, that’s fine too”. Robert has **another** look on Alice’s **résumé** and says “Alice you **must get** **health insurance** before **travelling** to Brazil, because the company **will cover** this **expense** only after the **third** month of work”. “Sure, not a problem” she says!
- ♦ Robert asks her a **last** question. “**Would** you **like** to know any other information about this position?” “Yes” she says! “**Should** I **take** any kind of vaccine before going?” “Yes” he says “You **must** take a **yellow fever** vaccine”. “Ok” she says! Robert **shakes** her hand and says “Congratulations, the job is yours”. Alice **smiles** at him and says “Thank you very much!!”
