

INGLÊS NO HOTEL

QUESTION/ANSWER: perguntar sobre o que fazer na recepção
YOU: Hi there. So, what's there to do around here?
FRONT DESK: Hang on a minute, let me call the concierge for you. She can help you out better.
CONCIERGE: Hi! I hear you're looking for events around town. First off, do you have a car?
YOU: Yes, we have a rental car.
CONCIERGE: Great. Well, here's a list of restaurants in the area. [hands list] There's a great Italian food restaurant nearby or if you prefer Asian food, there's at a Japanese and Thai food place right around the corner.
YOU: Oh, great, we love pizza, so we'll check out the Italian food. Any events going on this weekend?
CONCIERGE: Let's see... I can look it up for you here. [does computers stuff] There's a local event calendar. I can give you the website if you'd like.
YOU: Do you mind writing it down for me right here?
CONCIERGE: Sure, no problem... So, it looks like there a concert at the theatre tomorrow night around 7. That might be fun if you like that style of music. There's also a great park, so a ton of free activities to do. Sunday they close the streets off to cars for the whole day.
YOU: Oh, that sounds perfect. The best way to get to know a city is by walking around.
CONCIERGE: There are even bicycles to rent for an affordable price.
YOU: Thanks so much for your help... the weather is beautiful, so we're looking forward to spending time outside.
CONCIERGE: Yes! Take advantage of the sunny weekend. It's supposed to be warm going into the week also.
YOU: Thanks for the ideas.

CONCIERGE: Have a good time! If you need any other suggestions, we're right here.

YOU: Definitely. Thanks again.

CONCIERGE: Bye!

QUESTION/ANSWER: **Ligar check out**

FRONT DESK: Alright, you all set?

YOU: Yeah, we're heading out. Here are our keys.

FRONT DESK: Oh, thanks! Let me just print out your receipt for you, one second.

YOU: Sure, no problem.

FRONT DESK: And how was your stay?

YOU: It was wonderful. The hotel is lovely, and your suggestions were spot on.

FRONT DESK: Oh, I'm so glad. We hope to have you back again soon. Could you please sign here? [credit card receipt]

YOU: Sure.

FRONT DESK: And that's it, have a great day!

YOU: Thanks. Hey, where can I catch a cab?

FRONT DESK: Right in front. One of our porters help you with your bags, and the doorman can call a cab for you, if you'd like.

YOU: Those guys in the black suits?

FRONT DESK: Yup, that's them! They'll help you out.

YOU: I see. Great, thank you again.
