

- ◆ **UNIT 6B THE DAYS OF THE WEEK 2**

- ◆ The teacher Mark chooses his student John and starts to ask about his weekly routine.

“John can you please describe your routine to

us?” “Yes” says John: “On Sunday I go

sightseeing in the city, and at night I go to the

cinema or go to the shopping mall. From

Monday to Friday I go to my English class and

when I finish it around 3pm I usually go to the

supermarket to buy some food. On Saturday I

usually meet my friends at the park to have a

barbecue.
