(White Chicks – Dressing Room Scene)

Karen: Do you think Heath will love.... **Do you need help?**

Tiffany: Uh... I think I need a bigger size.

Karen: Honey, you never need a bigger size. Come here. Let me show you a **little trick**. **Brace yourself**. **Suck it in**. **Squeeze** those **cheeks**, sister. Suck it in. Come on. **Work with me**. Don't **give up** on me. **You can do this**. Suck it in. **How's that?**

Tiffany: I can't **breathe**. Honey, this is just not going **to work**. I'm sorry.

Karen: Well, of course not. You're wearing the wrong underwear. Is that **better?**

Tiffany: I can **taste** the leather.

Karen: Okay, you need a pair of **hot** shoes. What size do you wear again?

Tiffany: **Fourteen**. Fourteen.

Karen: What? Do you think you could bring us a size **ten?**

Tiffany: A what?

Karen: A ten. It's an **open-toed slide**. It gives you two sizes in the front and two in the back.

Tori: Tiff!! **Come on out**, honey. **Let's see**.

Salesperson: Oh! It is absolutely **fabulous!** If you don't buy it, I'm buying it for myself.

Tori: I don't know. **Stand up straight**.

Tiffany: Straight...

Tori: **Turn around**.

Tiffany: Turn around...

Karen: Honey, just relax. Breathe.

Salesperson: **You know what?** Maybe a nice dress.
